Adfero Leather Works is a leading name in the international market for the manufacturing and export of leather goods. The group is known for its finest quality leather and skilled craftsmanship all across the globe. We maintain two units in India - our belts and harness manufacturing centre at Kanpur and our bags and wallets centre at Kolkata. The group is continuously evolving itself to cater to the needs of the global leather market in a short period.

OUR TERMS

- **The FOB prices for the bags provided under the 'Backpacks' section are for the Minimum Order Quantity (MOQ) of 100 pieces. Any further concession depending upon the quantity more than MOQ shall be entertained by the company management through the contact details provided at the first page of this brochure**
- **Adfero Leather Works does not entertain free sampling for the products under the 'Backpacks' section. The sample charges needed to be borne by the client would be additional approximately 20% increment of the prices mentioned in this brochure**
- **Adfero Leather Works reserves the right to accept or decline any request for sample orders. The company secures a minimum 10 to 15 days for the development of the samples. For MOQ orders, the time period for the development depends upon the terms agreed upon by the company management and the clients**
- **The shipment charges for sample or MOQ orders would be borne by the client on the date of order dispatch. For a general info, the estimated airway courier shipment charges for a 35 Kg volumetric carton (approx. 66×41×64) which is our standard packaging size that fits around 8 to 10 bags is:
North American subcontinent (incl. US, Canada): 400 USD (\$)
Europe (incl. Spain, Italy, France, UK, Germany):230 EUR (€)**
